If your children have been curious about this precious gift and you believe they can understand the promise and joy that this meal brings us, please get in touch with him so that he can work out how best to run them.
- ✚ Good Shepherd is looking again for musicians and singers to join our regular service on a roster basis. We know you all have talents but in particular if you would like to share your God given musical or voice talents, please contact Angie at church or email Sheree. Love to hear from you!

St Andrew Cambodia Village Project

In partnership with Australian Lutheran World Service the members of St Andrew congregation have committed to raising AUD\$5000 to support a project in Cambodia. Our support will be providing a **Water-Gate** for the area of **Ping**: which will directly impact the three smaller villages of Kraing Rongang, Dok Por and Prey Tatoeng. The Water-Gate will enable water top be stored, controlled and distributed more evenly throughout the year, meaning all farmers in the area will be able to rely on a consistent water supply.
