#### Caring Conversations

Share your highs and lows of the day, or respond to the following questions:

- ❖ How has Jesus helped you when you have felt worried, sad or afraid?
- ❖ Have you ever felt "stuck"? Have you ever thought "I don't know how I'm going to do this, or get through this"? Share about those times.
- ❖ A life of faith does not always experience happy, joyous times. How does your faith keep you going when things aren't going well?

Verse for the week "Don't be afraid; just believe."

MARK 5:36

Mealt ime Prayer With this food you make us strong. To you our life and love belong. Thanks be to you, O God! Amen.

Blessing May the Lord Jesus give you faith when you are afraid and peace when you are suffering.

Prayer Lord God, thank you that your mercy is new every day. Your endless love is amazing. Amen

Creative Response Touch is a very important God-given way of expressing love and care for others. In fact, science has shown that as humans we need the touch of others to stay healthy in body, mind and spirit. In your household prayer times this week, hold hands as you pray. Talk together about how you might use other forms of healthy and positive touch in your home e.g. hugs, "high fives", or blessings.
